rs/ HONORARY PRESIDENT

PROCEEDINGS OF THE SPECIAL MEETING OF THE BANGALORE CITY MUNICIPAL COUNCIL HELD ON 19-2-1949 AT 9 A M IN THE COUNCIL HALL OF THE CITY MUNICIPAL OFFICES

The President at the outset informed the members the object of having convened the meeting and explained the purpose of the meeting

Sri K Shamaraja Iyengar requested the President to read the communications received from Government in this connection

The President read the letters of Government and also of the copy of letter addressed to Sri N Puttarangaswamy, Deputy Commissioner issuing instructions in connection with the function

Sri G Nanjappa wanted to know the position of the Municipal Council in presenting the Civic Address

The President replied that the visit of the Deputy Prime Minister was official and so naturally the Government had to take necessary action in this regard, but so far as Civic Address was concerned, it was upto the Municipal Council to decide the same

Janab A J Khaleel speaking said that it was most unfortunate that things were not done in the way in which they ought to have been done during the visit of the Hon'ble Prime Minister of India and it was most regrettable that the President of the Council was treated in such a way What happened after the resolution was passed was not made known As far as possible it was very necessary to respect the honoured guest on this occasion, who had done his best for the unification of India The old and autocratic barbarismhad been put an end to and the whole country should congratulate him for this task It was certainly regrettable to recollect the things that happened in the past during the visit of the Hon'ble Prime Minister and it was very necessary to see that such things might not happen again

Sri N Keshava Iyengar speaking said that Sri N Puttarangaswamy had called upon the President in accordance with the communication of Government The Hon'ble President the Commissioner and Sri N Puttaranga-Swamy visited the Race Course and had tentatively decided to present the Civic Address at the Race Course as no other suitable place was available for this purpose It had also been proposed to put up the dias in the 2nd floor and that 200 seats would be reserved behind the dias to accommodate the Members of the Municipal Councils, Ministers, Judges and some other prominent persons along with the Press

As usual invitations would be issued to the public - About 1000 invitations from the C & M. Station and about 2000 to 2500 from the City Council Suitable arrangements for parking the cars was also made and entrances for ladies and gents were opened in the same way as was done during the visit of Pandit Jawaharlal Nehru Coloured invitations would be issued for entrance at the dias and that suitable arrangements for photograph had also been thought of Arrangements for drinking water had also been proposed

Then Sri N. Keshava Iyengar moved the following resolution -

"Resolved that a Civic Reception be accorded to Hon'ble Sardar Vallabhai Patel during his visit on the 25th and that a sum of Rs 3000/- be spent for the purpose"

Sri T T Sharma seconded the resolution and the same was unanimously passed

Sri H S Seetharam observed that the money they were spending was that of the rate-payers It was not desirable to issue invitations to some and omit the rest He suggested that the Municipal Council might simply present a Civic Address and Casket and there was no need why the Council should take the task of issuing invitations, and see that they were mishandled by the Police

Sri V R Naidu speaking said that invitations should be issued to all the persons as was being done in the past without any omission He

He also suggested that all press Editors should be given 5 invitations each He requested the President for kindly arranging a visit of Hon'ble Sardar Patel to Sriramapuram to enable the labourers and other people to have the darshan of the great man

Sri G Nanjappa speaking said that a Sub Committee be formed for working details in this regard

He proposed that a Sub Committee consisting of the Hon'ble President, Vice-President, Janab A J Khaleel, Messrs K Shamaraja Iyengar, S M Munivenkatappa, N Keshava Iyengar and the Commissioner be constituted for working out details connected with the function

This was unanimously approved

Sri S K Venkataranga Iyengar wanted to know if the initiative for presenting a Civic Address had come from Government or whether the President himself had taken the initiative

The President replying said that soon after the receipt of official memorandum, he along with the leader contacted the Minister and had a formal talk regarding the Presentation of a Civic Address, and no definite action had yet been taken in the matter and the Special Meeting was convened only for this purpose

Sri K Shamaraja Iyengar observed that the proposal should be emanated from the President and not from Government and the action taken by the President was quite reasonable. There was no need for any apprehension in this regard

Sri S K Venkataranga Iyengar observed that all the conventions should be properly respected by Government and the Council was the supreme authority to represent the views of the public, and the Council should not be school-lead and directed by any outside agency He expressed his satisfaction as to the action taken by the President in this regard

Sri H S Seetharam observed that according to the letter of Government, it was seen as though the Government themselves had fixed the programme without caring the Municipal Council

Sri S M Munivenkatappa speaking said that there was no need for any differences between the Government and the Council The Government should respect the views of the Council and the Council also should co-operate with the Government in all such matters

Sri K Shamaraja Iyengar observed that they were concerned only with regard to the procedure to be followed and as such there was no necessity for any characterisation in that regard

Sri Pujadalaiah suggested that it would be very convenient if the Hon'ble Guest was taken round the City either on an elephant or on horse back along with the President to enable the general public to have a clearer view of the August Person

Sri R Anantharaman speaking suggested that while issuing invitations, care should be taken not to give room for serious ommissions He suggested that the Divisional Councillors might as well be entrusted with this task

At this stage the Commissioner informed that the Representative of Messrs Bartc..on Co , had come to the meeting and had brought a silver casket ign and if the Council approved of it, orders would be placed for the same

The Representative was asked to explain the design and it was decided that this may be got done and that a sum not exceeding Rs 1000/- be spent for the purpose

At this stage Sri G Nanjappa moved

"Resolved that Government be requested to permit all the hotels to be opened on the 25th and that food may be made available in the hotels. Further resolved that all the toddy and arrack shops in the City be closed on that day "

The resolution was unanimously passed

Sri G S Devadoss suggested that Government be requested to supply extra ration to the hotels for that day

Sri D R Puttanna suggested that stray photographers should not be allowed to enter the dias except the Press as the same would inconvenience the general public He also suggested that badges might be issued to the Municipal Councillors

The Commissioner replied that arrangements would be made for this purpose and that badges would be issued on that day if necessary.

Sri N. Keshava Iyengar then moved that the Hon'ble President be pleased to arrange for Tea to Sri V P Menon during his visit to the City

Sri K Shamaraja Iyengar speaking said that the President may be pleased to arrange for the same and there was no need for any approval beforehand The Council was always ready to co-operate with the President in such circumstances

Then the meeting terminated
